PREAMBLE

The Board of Directors of the Dunkerton Community School District, hereinafter referred to as the "Board", and the Dunkerton Education Association, hereinafter referred to as the "Association", recognize that the aim of the public schools is to provide a quality educational program for the children and youth of the School District.

WHEREAS, the parties have reached certain understandings which they desire to confirm in this agreement, it is agreed as follows:

ARTICLE II

RECOGNITION

The Board of Directors of the Dunkerton Community School District, hereinafter referred to as the "Board", recognizes the Dunkerton Education Association (an affiliate of the Iowa State Education Association and the National Education Association), hereinafter referred to as the "Association", as the sole and exclusive negotiating agent, pursuant to the certificate issued by the Iowa Public Employment Relations Board on June 30, 1975, for all classroom teachers, including teachers of basic curriculum courses, fine arts, remedial courses, special education courses, vocational courses, and school registered nurse, all guidance counselors, all librarians.

EXCLUDED: superintendent, principals, medical technician, all para-professional employees, and all others excluded by Section 4 of the Act.

ARTICLE III

GRIEVANCE PROCEDURE

SECTION 1.

A grievance shall mean only a complaint that there has been an alleged violation, misinterpretation, or misapplication of any of the provisions of this Agreement.

SECTION 2.

- (a) Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures.
- (b) The failure of an employee (or, in the event of an appeal to arbitration, the Association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievance to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- (c) It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the teaching staff.

SECTION 3.

- (a) First Step-An attempt shall be made to resolve any grievance in informal, verbal discussion between the grievant and his or her principal.
- (b) Second Step-If the grievance cannot be resolved informally, the aggrieved employee shall file the grievance in writing, and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall state the remedy requested, and shall be in the form set forth as Exhibit A. The filing of the formal, written grievance at the second step must be within fifteen (15) school days from the date of the occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievance and communicate it in writing to the employee and the superintendent within ten (10) school days after receipt of the grievance.

- (c) Third Step-In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and Superintendent, or his/her designee, shall meet to resolve the grievance. The Superintendent, or his/her designee, shall file an answer within ten (10) school days of the third step grievance meeting and communicate it in writing to the employee and the principal.
- (d) Fourth Step-If the grievance is not resolved satisfactorily at the third step, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving employee to the Superintendent within fifteen (15) school days from the receipt of the third step answer to enter into such arbitration. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two parties within seven (7) school days after said notice is given. If the two parties fail to reach agreement on an Arbitrator within seven (7) school days, the American Arbitration Association will be requested to provide a list of five (5) arbitrators. The two parties shall determine by lot which party shall strike the first name from the list. Thereafter, each party shall, within two (2) days, alternately strike one name from the list, until only one remains. The remaining name shall be the Arbitrator. The decision of the Arbitrator shall be final and binding upon the parties.

Expenses of the Arbitrator's service shall be borne equally by the School District and the Association.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the School District and the Association and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

SECTION 4.

If the Association, or any employee, files a grievable complaint with an outside agency then the District shall not be required to process the same set of facts through the grievance procedure unless so ordered by the outside agency, provided it is filed within the fifteen (15) day time limit of Section 3, paragraph (b) of this Article.

SECTION 5.

At steps two and three of the grievance procedure, the aggrieved employee may, at his/her option, be represented by a representative of the Association, in addition to himself/herself.

SECTION 6.

The school administration shall keep the grievance filed hereunder, and its responses thereto, in a separate grievance file, and not in the employee's regular personnel file.

SECTION 7.

The conferences and hearings held pursuant to the Article shall be conducted in private, and shall be attended only by the parties to the grievance, their properly designated representatives, and pertinent witnesses.

SECTION 8.

In the event that a grievance is filed at such a time that it cannot be processed through all of the steps provided for by this grievance procedure by the end of the school year, the parties shall cooperate in reducing the time limits provided for herein, in an effort to complete all steps of the grievance procedure by the end of the school year or within thirty (30) days thereafter.

ARTICLE IV

ASSOCIATION RIGHTS

A. The Association shall have the right to hold meetings on the school property at other than regular school hours, provided, however, that such meetings in no way interfere with any aspect of the instructional program or administration of the school. The time and place of any such meeting will be scheduled in cooperation with the administration. Any out-of-pocket expenses to the school resulting from such meetings will be reimbursed to the school by the Association. Also, in connection with its business, the Association shall have the right to make use of school computers, typewriters, duplication equipment, calculating machines and audio visual equipment after regular school hours and when said equipment is not otherwise in use. If the adverse action against an employee is staff reduction under the Staff Reduction Article of the Contract (Art. This process is to be followed until reduction is made.

Provided further, that this process of staff reduction shall apply in all cases whether or not the reduction being made is in whole or in part.

1. The salary of each employee covered by the regular salary schedule is set forth in Exhibit C, which is attached hereto and made a part hereof.
2. Any teacher who would remain at the state-mandated minimum salary of \$24,500 or would receive an increase of less than \$200 shall receive a minimum salary increase of \$200, based upon full-time.

B. PLACEMENT ON SALARY SCHEDULE

In order to be paid in the MA lane, the employee's Master's Degree must be in the educational field in which the employee is actually teaching, or an educational field directly related thereto. Based upon district needs, the Board of Directors may approve an employee's initial placement that is greater than the employee's education and/or experience.
2. CREDIT FOR EXPERIENCE. Credit is allowed for approved teaching experience. In calculating teaching experience, no fractional credit of less than one-half (1/2) year will be credited. Six (6) months or more of actual teaching in a given school year will be credited as one year's experience. Actual teaching experience of less than six (6) months, but more than three and one half (3 1/2) months in any one school year will be credited as a half (1/2) year of experience. In the placing of an employee upon a step on the salary schedule, one-half (1/2) year of teaching will be disregarded unless the employee has two (2) such half-years, in which case he/she will be given credit for a full year of experience. Experience as a day-by-day substitute teacher shall not be credited upon the salary schedule.

C. ADVANCEMENT OF SALARY SCHEDULE

1. INCREMENT. Employees on the regular salary schedule shall be granted one increment or vertical step on the schedule for each year of service in the Dunkerton Community School District until the maximum for their educational classification is reached. 2. TRAINING BARRIER. Employees on the regular salary schedule must have proper state licensure or certification.

3. EDUCATIONAL LANES. Employees on the regular salary schedule who move from one educational lane to a higher educational lane shall move to a corresponding eligible step on the higher lane. For an employee to advance from one educational lane to another, he/she shall file, no later than September 15th of any school year, the necessary credits and pay adjustments shall be retroactive to the beginning of the contract year. In order to be paid in the MA lane, the employee's Master degree must be in the educational field in which the employee is actually teaching or an educational field directly related thereto.

Hours of study submitted for the horizontal advancement must be from an Accredited College or University and be approved by the Superintendent at his/her sole discretion prior to enrollment.

Hours of study submitted for the horizontal advancement must be:

- a. Included in the teacher's declared graduate major, provided this major is related to the educational field, or
- b. Hours in the employee's teaching area, or
- c. Study approved by the Superintendent in his/her sole discretion

D. METHOD OF PAYMENT

1. PAY PERIODS. Each employee shall be paid in twelve (12) equal installments on the 20th of each month, or the last working day preceding the 20th when such a day falls during a non-working period during the regular school year.

2. BEGINNING EMPLOYEES. An employee who is new in the teaching profession may, at his/her option, elect to receive thirty percent (30%) of the first monthly salary installment, without any payroll deductions, after completion of the first ten (10) days of employment. The balance of said monthly installment shall be paid when normally due.

3. SUMMER CHECKS. Summer checks, other than for summer school teachers, shall be mailed to the address designated by the employee.

E. Employees who are issued contracts on less than a full-time basis shall be paid the percentage of the appropriate annual salary, as determined by the salary schedule, equal to the percentage of full-time employment declared by the Board in the individual contract of that employee.

F. All employees on the top step of their lane in the salary schedule shall be entitled to career increments as follows, beginning with the B.A. lane:

14-16 years	+900
